

School Song

We the boys and girls with a golden glow,
Hearts full of pride and zest
Carrying the torch of our school up high,
We know we have to be the best.

Chorus:-

O Swarnim, O Swarnim
Our great knowledge tree,
Where the love for learning always grows,
Its shining stars we'll be.

Hard work and grit we pledge,
Excellence is our aim,
Love for all, together we stand tall,
We'll be loyal to your name.

We the children of the golden land,
Walk in unison, Hand in hand
Honour to our nation, we vow to bring,
Songs of thy glory, forever we shall sing.
