

## **School Song**

We the boys and girls with a golden glow,  
Hearts full of pride and zest  
Carrying the torch of our school up high,  
We know we have to be the best.

### **Chorus:-**

O Swarnim, O Swarnim  
Our great knowledge tree,  
Where the love for learning always grows,  
Its shining stars we'll be.

Hard work and grit we pledge,  
Excellence is our aim,  
Love for all, together we stand tall,  
We'll be loyal to your name.

We the children of the golden land,  
Walk in unison, Hand in hand  
Honour to our nation, we vow to bring,  
Songs of thy glory, forever we shall sing.

## **School Prayer**

Dear God,  
Be my guide throughout the day  
Help me to learn  
Grow and play  
Bless my country and my school  
Make the world more beautiful.
