**5<sup>th</sup> Dec, 2022**

Dear Parents,

The Annual Day 2022 will be held on 22nd December 2022, Thursday in the school grounds at 5p.m. instead of 17th December owing to unforeseen and unavoidable circumstances.

We have ensured that every child participates to the best of his/her abilities in this grand show.

Please send your child to school regularly unless he/she is unwell so that her performance is not hampered in any way.

Kindly send the amount for costume and accessories that the HRTs will mention in each child's diary in an envelope with the child's name and class written on it by 12th December, 2022.

We look forward to your cooperation and support to make this a success.

Regards.
