Dear Parents,

 Welcome to admissiontreeerp services.

 It gives immense pleasure to introduce you to 'Parent Portal' of admissiontreeerp services - the most advanced **academic** and **administrative** platform for School Management.

The 'Parent Portal' is your entire solution to access necessary information about your child provided by the school.

 Let me enumerate a few applications that you can access through the ERP platform.

- **Single Log In**- A single login id to access all the school relevant information about your children. It will be provided to your mail id very soon.
- **Privacy**- This system is intended for authorized users and imparts role and purpose-based restrictions on data access. Parents can access information of their children only.
- **School Calendar**- Check the school calendar before making any plans.
- **Report Cards**- A single placeholder to access your children's report cards as they climb the ladder from Pre-Nursery to Class XII.
- **Bulletin**- Access all the newsletters/ Notices posted by the school.
- **Fee Due**- No more hassle to remember the dates to avoid the late payment- Login to check the fees due date and also check the entire fee receipts in one place**.**
- **Fee Payment- From now on you have to pay the fees through this app only. You will get the option to pay the fees by credit cards/debit cards/ UPI /Netbanking.**
- **Fee Receipts**– All fee receipts and fee payment history can be accessed online.
- **Notifications**- Keep yourself engaged- When the school posts any assignment or circular, you get a notification in your mobile – just click on the link to check. Get notifications every time your child is absent from the school or any important information has to be communicated.

- **Attendance**- Check attendance of your children in the attendance application.
- **Holiday List**– Complete list of holidays is available in the parent portal.
- **Notices**– Any notice that is posted on the school notice board is also posted in the parent portal for easy reference.

AND Last but foremost– We applaud the School Management as they continue their endeavour to '**Go Green**'.

Kindly ensure that the admissiontreeerp services mobile app is downloaded from play store (for android users) /app store (for iPhone users) and reserved for use. The login credentials will be shared through mail very soon.

Further, we request you to go through the WhatsApp video and gain further inputs. Kindly note on and from 5thApril, 2024 1st quarter fees can be paid from this portal.

Looking forward towards continued association and support.

Regards

admissiontreeerp Team
