

SIS/CIR/2023-24/001

12th April, 2023

Dear Parents,

Reflecting on the past school year, we have had so many great memories and exciting events to look back on. We continued many successful traditions and added new experiences, which we can continue and make new traditions. Our students enjoyed all of these activities.

We have summed up our journey in the past six months in our biannual Newsletter.

We take this opportunity to thank you for your continued support and cooperation.

Please find attached herewith the Holiday List 2023-24 and the April 2023 issue of the Newsletter for your kind perusal.

Regards.
